

MEMBERSHIP RENEWAL FORM

The Mount Lawley Society is a vibrant community group which is always looking to encourage more members to join our group and our growing number of current members to renew their membership.

Since 1977, the Mount Lawley Society has worked with local councils and fought hard to protect the unique streetscapes of one of Australia's most intact character areas. Over nearly four decades the Mount Lawley Society has been instrumental in achieving reduced zonings and heritage protection in Mount Lawley, Menora and Inglewood. The Society believes that these measures not only protect heritage but also enhance property values. It advocates on community issues such as retention of our tree canopy and the loss of public open space. The Society is not anti-development but inappropriate infill and high density development is a concern as is the continuing demolition of the remaining stock of original homes, many of which are capable of being renovated, and the destruction of our tree canopy.

To strengthen our resolve in the future and to remain a force in heritage protection, the Mount Lawley Society is looking to increase its membership base, which will help us protect the unique character of the area, so we would welcome our members to encourage others to join us.

The MLS holds some fantastic educational forums with guest speakers and fun social events. Members also receive the Our Heritage newsletter with some wonderfully good reading on the history of local identities and buildings and the Bulletin with current issues affecting us all.

Please renew your membership for a further three years and help preserve the character of our wonderful area for future generations. This form can be downloaded and filled in online, then either scanned and emailed back or put in the post. **Membership fees are \$50 per family – and we encourage you to include any family member who is over 18 – for a three year period.** We hope you can continue supporting our proud community group!
